

-  1/8" BLEED ZONE
-  1/16" SAFETY ZONE

It is important that the template you are using is the current version. The revision level and template name are located in the upper left corner of the template.

To verify the current revision level, refer to the Sony Disc Manufacturing Approved Template List. If a Template List is not available, you may contact your Project Coordinator or the Sony Disc Manufacturing Web Site at <http://sdm.sony.com> for assistance.

If you find a discrepancy, please request a current version.
